

Services Florida District 1 Would **LOSE** Without Legal Services Corporation-Funded Organizations

prepared for U.S. Rep. Matt Gaetz

In 2016, civil legal aid organizations addressed the legal needs of 4,156 Florida District 1 constituents.

1,366 constituents were helped by organizations funded by the Legal Services Corporation.

128,856 people are eligible for civil legal aid in Florida District 1 based on household income.

Without LSC-funded organizations, civil legal needs addressed in Florida District 1 by legal aid would **FALL** by:

33%

fewer constituents would get civil legal help without LSC-funded organizations in Florida District 1

Florida's LSC-funded programs helped stabilize the lives of 35,637 children in 2016

32% for U.S. veterans
leaving **114** veterans without legal help

58% for domestic abuse survivors
leaving **285** victims without legal help

20% for seniors
leaving **192** seniors without legal help

42% for those facing foreclosure or eviction, or with other housing needs
leaving **305** constituents without legal help to address their housing needs

39% for women or children
leaving **1,048** women or children without legal help

LSC-funded organizations provide low-income Americans the civil legal help they need to ensure their safety, stability and livelihoods. They keep families in their homes, protect the vulnerable from abuse, aid survivors recovering from natural disasters, and secure people's access to education and health services.

THE FLORIDA BAR FOUNDATION

Services Florida District 17 Would **LOSE** Without Legal Services Corporation-Funded Organizations

prepared for U.S. Rep. Tom Rooney

In 2016, civil legal aid organizations addressed the legal needs of 2,183 Florida District 17 constituents.

1,366 constituents were helped by organizations funded by the Legal Services Corporation.

152,927 people are eligible for civil legal aid in Florida District 17 based on household income.

Without LSC-funded organizations, civil legal needs addressed in Florida District 17 by legal aid would **FALL** by:

63%

fewer constituents would get civil legal help without LSC-funded organizations in Florida District 17

Florida's LSC-funded programs helped stabilize the lives of 35,637 children in 2016

60% for U.S. veterans
leaving **116** veterans without legal help

11% for domestic abuse survivors
leaving **6** victims without legal help

72% for seniors
leaving **504** seniors without legal help

82% for those facing foreclosure or eviction, or with other housing needs
leaving **552** constituents without legal help to address their housing needs

63% for women or children
leaving **913** women or children without legal help

LSC-funded organizations provide low-income Americans the civil legal help they need to ensure their safety, stability and livelihoods. They keep families in their homes, protect the vulnerable from abuse, aid survivors recovering from natural disasters, and secure people's access to education and health services.
